

Fishing

The Pinehurst Beach Club and Marina is the perfect location for a tour of the 200-acre fresh water lake with your own personal fishing guide. Rob Everett is a native of Aberdeen, North Carolina with an unsurpassed knowledge and understanding of what it takes to land big bass. He is an active member of the Bass Anglers' Sportsman Society having participated in regional and state tournaments all across North Carolina. His beliefs strongly support "catch 'n release" and environmental preservation. We supply the beautiful backdrop of Pinehurst Lake, you provide the stories on the ones that got away, and the largemouth bass and blue gill that didn't. We can fish any time from day light till dark, so bring your hat, sunglasses, raincoat, and sunscreen and of course a camera!

Available to catch Largemouth Bass, Crappie, Blue Gill, Brim, Catfish and Pike. (catch & release only)

Fishing with a Guide: Prices are based on a four-hour guided fishing excursion. Bottled water included.

Catch and Release Fishing Tournaments

Minimum of 5 people, maximum of 30 people. Tournaments commence rain or shine (rainy days are some of our best!) and are catch and release only. Digital scales will be provided for weighing the fish before they are returned to the water. Groups can pick what kind of contest they wish to have: largest bass, biggest fish, most fish, biggest brim, largest pike, combined weight of five bass, etc. Score sheets with clipboards will be provided per boat to record weights and numbers of fish caught.

With the help of our local tackle shop Aberdeen Bait & Tackle, we offer a user friendly Zebco 33 Classic and matching rod. When the tournament is over the rod and reel is theirs to keep and take home. The rods are two-piece, making it easy to transport home. It's a nice remembrance of a great trip! **All prices for a tournament are the same as fishing with a guide with the exception of the rod/reel/lures, which is \$75 per person.**

*All Tournaments will use live bait/unless anglers bring their own favorite lures. Specialty lures can be provided at an additional fee and make a great memento to take home.

Fishing activities on Lake Pinehurst have a 10-day cancellation policy.
