

Indoor Rock Climbing

Looking for a great team building exercise or an activity for a competitive group? Look no further! Experience the thrill of rock climbing in this state-of-the-art indoor climbing facility. Located 45 minutes from Pinehurst Resort, **RedPoint Indoor Climbing** offers something for everyone – from “bouldering” to “rope climbing” to “belaying”, you’ll learn all the “ropes” of climbing during this exciting and fun-filled activity!

Activity Details: The group will begin with a one-hour course on belaying – methods of controlling the ropes so that if a climber falls off of the wall or decides to come down, the belayer can safely control their descent. This allows the group to belay for each other and we can in-turn incorporate any team building or competitions you’d like! Follow the belay course where 3 hours of climb-time await. Guests can climb alone, compete against each other, or do team-building exercises on the wall. The sky is the limit for this activity!

Price: \$60.00 per person (10 person minimum) – includes harness and shoe rental, belay course and climb time

Transportation: Based on number of people. Please inquire pricing for transportation.

Suggested Attire: Any comfortable clothing that allows for freedom of movement and doesn't ride up - Fabrics that breathe are ideal. Socks are recommended.
