

Pinewood Derby

READY...SET...GOOOOOO!!!

Within the two to three hour activity, teams will be tasked with creating a Pinewood Derby car from kits provided. Teams will have to sand, shape, decorate, and assemble their own cars. Teams will be judged on their creativity, appearance, and quality of their cars. On our Pinewood Derby racing track, teams will go head to head to see which car is the fastest and take home the title of the Pinehurst Pinewood Derby first place winner!

We partner with local children's programs to donate both the pinewood derby cars created during the event, as well as a new pinewood derby car kit.

* Please inquire for pricing.
