

## Wind Tunnel Experience

---

Have you ever wished you could fly? Well you can!

Excitement, adrenaline, and adventure; we offer it all in the flight experience of a lifetime. No experience necessary, our professional instructors will teach you the fundamentals, and provide your flight equipment. All you have to do is fly!

SkyVenture simply put is flying; you will soar on a column of air inside a vertical wind tunnel. A Vertical Wind Tunnel is a wind tunnel that moves air up in a vertical column. They are the world leader and most experienced company when it comes to vertical wind tunnels. The air flow is totally controllable; this combined with our professional instructors makes for the most exciting flight experience in a wind tunnel possible. Paraclete XP SkyVenture is not a ride or a simulator, you are actually flying! Skydivers love freefall because it's the closest possible thing to true human flight. Now everyone can experience the same exhilaration, in a safe environment!
